WELCOME TO NEW ANMOL GROUP OF INSTITUTIONS

Dr. Darshan Kumar Sharma
CHAIRMAN

As I am sure everyone is aware, the moment in which we now find ourselves is one of profound challenge—not only for our campus and the wider education system, but for the nation and the world as a whole.

At New Anmol Group of Institutions, we recognize that some challenges can be addressed directly through our collective efforts and commitment. Others may lie beyond our immediate control; however, we believe it is our responsibility to engage with them—through dialogue, collaboration, and thoughtful action—while striving to influence meaningful change.

As leadership, we remain dedicated to both speaking publicly when needed to uphold our values and working diligently behind the scenes to ensure that the voice of New Anmol Group of Institutions is heard across all relevant platforms and communities.

We envision the future of New Anmol Group of Institutions as a strong, unified yet diverse academic community—where every individual is given equal opportunity to teach, to learn, and to grow. We are committed to ensuring that education is not limited by financial constraints, unequal access, or differences among us.

In this, as in all the responsibilities we undertake together, our focus remains on excellence, inclusivity, and continuous progress for the benefit of our students, faculty, and society.

VISION

New Anmol Group of Institutions envisions itself as a leading institution committed to academic excellence, innovation, and the holistic development of students. Our goal is to provide transformative education that nurtures ethical values, critical thinking, and leadership qualities, enabling students to become responsible global citizens.

We strive to deliver affordable, high-quality education and skill development in a dignified and distinctive manner by establishing an institution dedicated to the highest standards of teaching, training, research, and professional excellence.

MISSION

New Anmol Group of Institutions strives to be a beacon of knowledge and innovation, inspiring students to achieve their highest potential and contribute meaningfully to society.

Through our unwavering commitment to excellence and holistic education, we aim to shape future leaders who will make a positive impact in their communities and beyond.

NEW ANMOL'S INFRASTRUCTURE

In recent years, the college has invested heavily in a major 'Capital Works Program,' resulting in the creation of an exceptional array of world-class facilities and infrastructure. Students have access to modern lecture theaters, cutting-edge technology, and a magnificent library housing a comprehensive collection of diverse resources.

LIBRARY

New Anmol College has 4 libraries and 1 central library, stocked with books, references, periodicals, magazines, national and international journals. The library is a vast reservoir of knowledge and a source of constant value addition to the students and faculty members.

LABS

The facility features air-conditioned department and computer labs with modern instruments, machines, and PCs equipped with the latest software. It also offers numerous auto Wi-Fi-enabled computers to facilitate seamless digital learning and research.

CONFERENCE ROOM & SEMINAR HALLS

College has facilities to organise international conferences, seminar, lecture series in campus

LEARNING AT NEW ANMOL

At New Anmol Group of Institutions learning is a conversation, not simply a lecture.

At New Anmol Group of Institutions, we place students at the center of the learning process to help them develop their own ideas, opinions, and critical thinking abilities.

From the very beginning, students are encouraged to become independent, self-motivated learners who take active responsibility for their academic journey.

Our faculty members are experienced professionals and subject experts in their respective fields. Their knowledge, enthusiasm, and passion for teaching are reflected in the quality of education and the overall learning experience, ensuring that students receive a dynamic and engaging academic environment.

Dependent on your course you will have the opportunity to learn in different settings. As you progress through your course, this approach will enable you to control your own learning and encourage you to develop the qualities that employers are looking for in today's collegegraduate, creativity, Independence, teamworking, goal setting and problem solving. These skills will give you the tools to succeed in your future career

WORLD-CLASS EDUCATION

At New Anmol Group of Institutions, students learn from highly qualified and experienced faculty members who are recognized for their expertise and dedication in their respective fields.

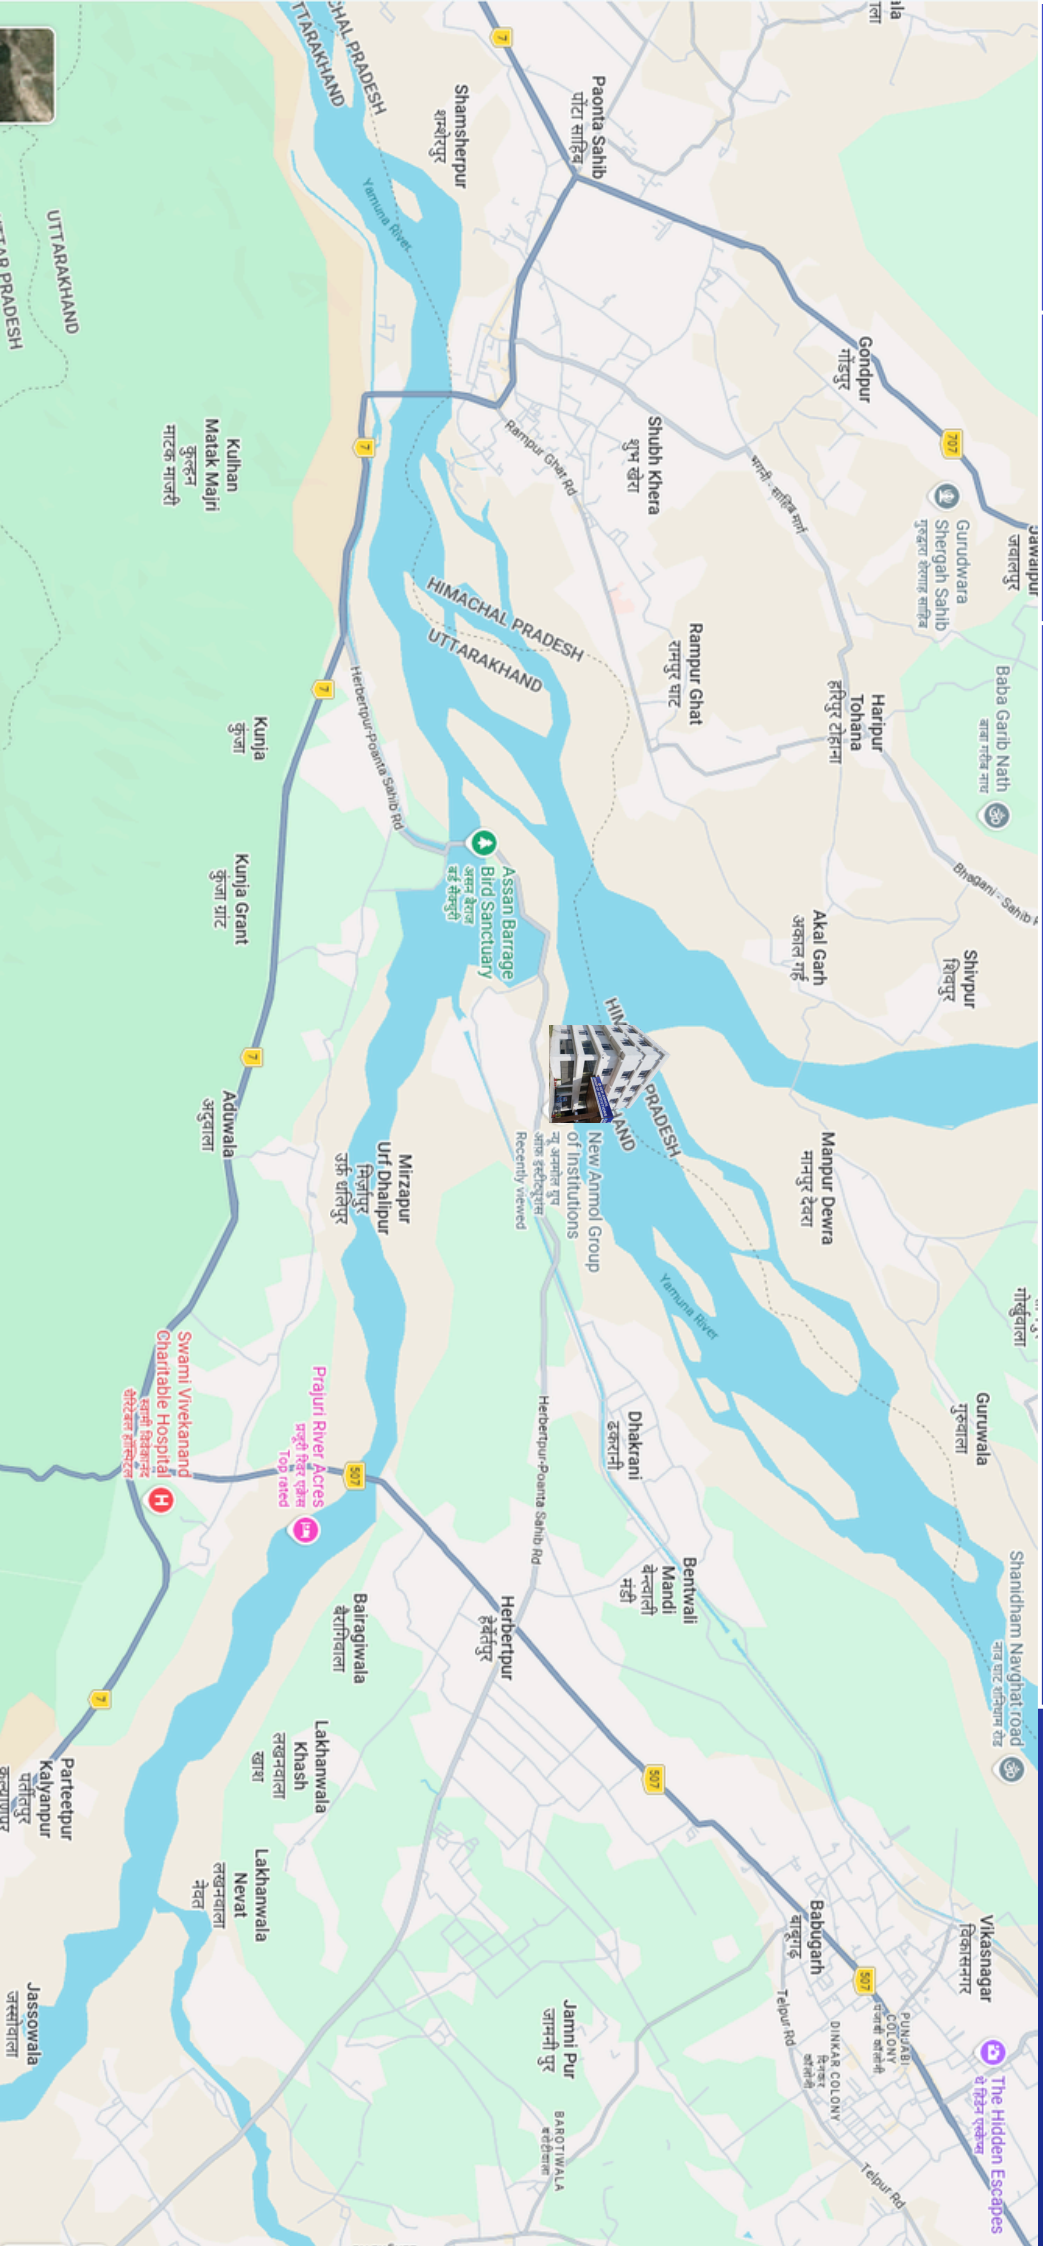

Our educators are committed to delivering a comprehensive and modern education that goes beyond traditional teaching methods. We strongly emphasize the integration of research and teaching, ensuring that students gain knowledge that is both practical and up-to-date. This approach keeps our courses aligned with the latest developments and advancements, making education at New Anmol Group of Institutions relevant, dynamic, and future-oriented.

our state-of-the-art infrastructure is equipped with the latest technology and modern equipment, reflecting the tools and resources students will encounter in their professional careers. We focus on a practical, hands-on learning approach that ensures students not only understand theoretical concepts but also develop real-world skills. From well-equipped laboratories to advanced learning facilities, our campus is designed to provide an immersive educational environment—preparing students to confidently meet the demands of today's professional world.
